

Q**What is expected for games during All-Stars?****Answer**

Players are expected to be at the field at a minimum of 1.5 hours before the start time. The manager is required to turn in paperwork and the team's line up at least 60 min prior to the start of the game. Players cannot be late to the game. Also, parents and fans cannot communicate with the players and coaching staff once the players step onto the field for their game. Players and coaching staff can be removed if communication is made.

Q**When are the games?****Answer**

Specific times and dates will come later, the game times can begin as early as 1-3pm during the week, there is a possibility that weekday games can start prior to noon. The District Tournament can be up to 10 days, and it determines how well the team does to say how long the tournament will run. It is a double elimination tournament, so if you lose 2 times, you are out of the tournament.

Q**Will we need to travel for the tournament?****Answer**

The travel for the District tournament is pending on which league will be selected to host the tournament. The District tournaments can be from Gig Harbor to Sequim (softball is typically hosted in Sequim, while baseball is typically hosted between Gig Harbor and Poulsbo). There are 12 leagues within the District and there is a possibility that anyone of the leagues will have the opportunity to be selected to host. The State tournament committee will determine which District within our state will be hosting the state tournaments. There is a rotation between all of the districts.

Q**What is required of us as parents and family?****Answer**

Be a positive support for your child and be encouraging. Be an example to others of how to be respectful. Communicate with the coaching staff if your player will not be able to attend a practice or game. Do your best to get your player to every practice and game on time.

Q**Can I help with anything?****Answer**

Yes! There are always ways for you to help support, please contact Kent, Brittany or anyone from the All Star Committee for additional information.

Q**Can our team buy matching gear, outside of the team uniform?****Answer**

Yes! We encourage the team's to reach out to local businesses to be a sponsor for the postseason All Star team. We have paperwork for businesses and their sponsorship is a tax write-off.
